Highlights of the 3 Year Old Preschool Program

Curriculum: At Our Savior, we share the love of Jesus in all we do. The children will know they are loved and forgiven by our Lord Jesus Christ. Children are introduced to colors, shapes, numbers, and letter recognition. Literacy is also an integral part of the curriculum. Children's literature, including nursery rhymes, is incorporated in our curriculum. Listening and speaking skills are developed during play time, circle time, and show-and-tell. Children are also introduced to writing and art materials while developing fine motor skills. Play time is designated for the development of social activities where they learn the skills necessary for interacting with other children.

Additional activities: The children will have the opportunities to attend field trips. The students participate in classroom celebrations such as Fall, Christmas, Valentines, and an end of the year celebration. In order to keep communication between home and school there is a weekly newsletter that is sent home which shows the highlights of the week and any upcoming events.
