Daycare: Monday-Friday (7:30 a.m. – 6 p.m.)

Age Requirements: Must be 4 years of age by September 1

All children must be potty trained before entering 4 year old Preschool

Highlights of the 4 Year Old Preschool Program

Curriculum: At Our Savior we share the love of Jesus in all we do. We provide the foundations necessary to be successful in the elementary years. We accomplish this by providing kindergarten readiness activities in the 4 year old preschool program. The children are exposed to the written language on a daily basis which gives them the ability to have the listening and speaking skills necessary to be successful in kindergarten. Through our literacy activities the children will be able to develop skills such as printing their names and letters of the alphabet along with letter recognition. The children are also exposed to math skills that will give them the opportunity to recognize numbers, colors, and basic shapes. Play is also an integral part of our curriculum. This gives the children the opportunity to build their self-esteem, self-confidence, and self-control. Play also provides social and developmental experiences necessary for a healthy attitude towards school.

Additional activities: The children will have the opportunities to attend field trips. The students participate in classroom celebrations. A weekly newsletter and a calendar are produced to communicate between home and school.
